

Leeming Bar Station, Leases Road, Leeming Bar, Northallerton, North Yorkshire, DL7 9AR

Dear Sir/Madam

Nestling amongst the scenic beauty of the Wensleydale countryside is an emerging gem - The Wensleydale Railway. With twenty-two miles of track, from Northallerton West to Redmire, Wensleydale Railway boasts one of the longest preserved, heritage railway lines in the country.

The current running section of just over 16 miles starts at Leeming Bar and stops at the intermediate stations of Bedale, Finghall Lane and Leyburn.

The last few years have seen an increase in popularity of our events, from Santa Specials to Gin Trains!

Recently a team of Wensleydale Railway's Association Trust volunteers at Scruton Station won a British Museum Award dedicated by the Marsh Trust in recognition of our "volunteers dedication, innovation and excellence in engaging with the public".

For the last three years over Spring Bank we have held the WensleyAle Festival at Redmire Station. This has grown to be an important event in our calendar offering superb cask and craft beers, cider and live music, together with carefully selected street food providers. Some photos from 2017 are located at www.wensleydale.com

For the first time we would like to invite you to be a part of our latest fundraising idea – a unique business networking event to be held on Friday 25th May 2018, between the hours of noon and 3pm.

We are offering selected companies from across the area an innovative experience, with the following included in the package:

- Complimentary shuttle bus from Northallerton Station to Leeming Bar
- A return rail journey for each of your invited guests from Leeming Bar to Redmire
- Your company's name on our 2018 event glass
- Display your company's banner at the site
- Recognition of your support in the festival programme
- 3hrs complimentary imbibing of our craft ales and ciders
- Food from one of our street food vendors

So, can you picture yourself arriving in style aboard one of our preserved trains, with your guests/colleagues, a pint in hand viewing Pen Hill, probably one of the best beer gardens in the world?
